Certified Hazardous  
Materials Manager (CHMM)

LPST Corrective Action  
Project Manager

## EDUCATION

B.S., Marine Science,  
Master of Science,  
Civil Engineering  
Texas A&M University

## PRESIDENT

**The WCM Group, Inc, Humble, Texas - January 1982 - Present**

---

Founder of The WCM Group, Incorporated, a service corporation of professional engineers and technical specialists providing environmental consulting services.

Develops and coordinates the development and implementation of customized environmental compliance programs, assessments/audits, and remediation projects for WCM's clientele.

Develops and maintains strong relationships with existing clients, while identifying and pursuing new potential clients to provide value-added services.

## VICE PRESIDENT

**McNair Transport, Inc, Houston, Texas - 1980 - 1981**

---

Responsible for corporate environmental affairs and field operations. Developed emergency response directives for chemical tank truck facilities, new and existing. Supervised associated remedial action programs.

Activities included: procurement of air, wastewater, solid waste and hazardous waste permits; trouble shooting for truck cleaning facilities; spill response and regulatory reporting. Provided these services for 9 facility locations in 3 states.

## ENVIRONMENTAL ENGINEER

**Empak, INC, Houston, Texas - 1977 - 1980**

---

Provided engineering and environmental consulting services to Empak's customers, including six (6) chemical tank truck lines with a total of fifteen (15) facilities in Texas and Louisiana. Consulting activities included: preliminary problem analysis; conceptual and process design; regulatory permitting; construction inspection; start-up assistance; subsequent process monitoring; trouble shooting and regulatory reporting for industrial wastewater treatment systems servicing tank truck cleaning operations; development and implementation of in-situ treatment for phenols in soil; and design and operations assistance for 3 tank truck waste pretreatment facilities.

## MEMBERSHIPS

American Society of  
Chemical Engineers

National Society of  
Professional Engineers

## GRADUATE RESEARCH ASSISTANT

Texas A&M University, College Station/Galveston, Texas - 1973- 1977

---

Responsible for project design, implementation and analysis for evaluation of Galveston Bay sediments and water for selenium content.
